

Visit to Kempton Great Engines and London Museum of Steam and Water
Sunday March 19th 2017

Arrangements have now been finalised for this coach trip. Cost per head will be £29.50 which includes the admission fees to both the Kempton Great Engines and the Kew Museum. Please complete the attached booking form with a cheque payable to WIAS and give to Alain Foote at the next WIAS meeting, or send by post to 16, St. Marks Ave., RUGBY, CV22 7NP, enclosing a S.A.E. for return of the tickets. Please note that tickets are non refundable, except in the event of the trip being oversubscribed, when refunds may be possible. Numbers are limited to 30, so it is first come first served.

The coach will leave from the car park at Newbold Comyn, Newbold Terrace East, Royal Leamington Spa, opposite the Newbold Comyn Leisure Centre at 08:30 prompt and will return there sometime after 18:00. We are aiming to arrive at Kempton Great Engines for when they open at 10:30. We will then leave Kempton to travel to Kew around 13:00. We will leave Kew at 16:00. The Kempton engine will be in steam, but unfortunately due to maintenance there will be no stationary engines in steam at Kew. Hopefully, the narrow gauge railways at both locations will be operating. The ticket price includes guided tours at each location. The ticket will serve as your admission ticket to both museums, so please make sure you bring it with you on the day.

Light refreshments will be available to purchase at each location.
