

WARWICK GASWORKS 1822

WARWICKSHIRE INDUSTRIAL ARCHAEOLOGY SOCIETY

From The Chairman: Martin Green, Argyll, 2(B) Union Road, Leamington Spa CV32 5LT
e-mail: wiaschairman@aol.com Phone: 01926 313782 August 12th. 2019

Dear member/former member/industrial heritage enthusiast,

I am writing to remind you all of the start of the new series of WIAS meetings beginning on Thursday September 12^h. 2019, and to enclose the programme for 2019-2020. I do hope you will find the topics in the monthly programme of interest to you. There are always additional items brought to the meeting after the main talk as well, reflecting the wide range of interests of our membership.

This information is sent to you by e-mail and not by post in order to save unnecessary postage costs.

As presented and agreed at our April meeting, subscriptions for our 2019-2020 season will be £20 for an individual and £26 for a joint membership. The Committee's carefully considered recommendation for this increase was based upon the significant rise in hire costs for the Pyne Room at Warwick School, as well as a creeping rise in other costs. Membership gives free entry to all WIAS monthly meetings.

The majority of our members have now completed Gift Aid declaration forms. If you have not done so, and are a UK taxpayer, please complete a Gift Aid declaration form, which will be available on entry to the September meeting.

Please also note that we shall be inviting visitors to our meetings to contribute £3.00 on entry, although we must emphasise that this is a voluntary 'free will' gift and is not an entry fee for attendance.

Subscriptions can be handed in at the monthly meeting to the Membership Secretary, or sent by post to:

Mrs. S. Hammon (WIAS Membership Secretary)
17 Knightcote Drive
Leamington Spa
Warwickshire CV32 5FA

We do hope you will be able to attend the first meeting of the new season to hear the talks, browse the bookstalls, to renew friendships and contacts - or to visit us for the first time. We can assure you of a warm welcome.

Yours sincerely

Martin Green, Chairman WIAS
